## Customer Reviews

This is a very thin book (125 pages) with double spacing in the text and therefore contains little information. It is the verbatim phone conversations that the author had with various radio stars. Therefore, much space was taken with hellos, introductions, goodbyes, and thank yous. The radio personalities seemed unprepared for the conversations and several had trouble remembering when

this or that happened. Two, Rudy Vallee and Freeman Gosden (Amos of Amos and Andy), seemed annoyed with the call and had little to say other than they had been over their careers too many times before with other people and the author should go to other sources to find out what he wanted to know. Even when he got people to talk to him, the interviews were rather shallow. In his interview with Harold Peary, I would have liked to have had some insight in why Peary quit being the Great Gildersleeve to start a similar but weaker show called "Honest Harold" which only lasted one season. Peary was inaccurate in saying that Kraft no longer sponsored the Gildersleeve show after he left. Actually he left in 1950 and Kraft continued until 1954, when many network radio shows were losing their sponsors. The author didn't attempt to correct these or other errors. I would not recommend this book.
