Chloe Perkins is the editor and author of a few dozen books for children. She lives in Philadelphia, Pennsylvania, with her husband, Rico, and their corgi puppy/sometimes shark, Marius. Growing up in a small town in Ohio, Chloe always dreamed of writing stories that could take kids on their own reading adventures, and she's thrilled to be doing just that! Tom Woolley is an

illustrator who works on children's books and colorful maps. He lives in the historic City of Bradford in West Yorkshire in the United Kingdom. When not busy illustrating, Tom likes to ride his bike and loves to travel and explore new places.Â

Beautiful book. Took this to our trip to Brazil to visit family. I love that it shows Manaus, which is often left out in many books about Brazil.

Colorful and an easy read. Got it for a gift and hope they like it.

Cute book with very nice information about Brazil. ilce to read to kids living abroad.

This book is adorable. We wanted to teach our 4 year old about Brazil and this was the perfect way to do it. the book talks about various parts of Brazil and will be a great book for him to work on his reading as he gets older.

love the book thank you

Love this collection! More countries please!

Very cute book for our bicultural family!

I got this as a gift for my friend who's Brazilian, came to America, married and had kids with an American man. She was thrilled with this gift so she can show her children more about Brazil in a fun way. She couldn't believe I was able to find something like this. Definitely recommend for any Brazilians with children who are a bit unaware of the culture when you tell them stories.
