Travel Like A Minimalist

Synopsis

Have you ever found yourself wishing you could figure out how to take LESS of everything when you travel? If you do, then let Emma Buckley help you minimize your stuff when you travel. In her book, she addresses issues like: 1. How to minimize what you take with you when you travel 2. Things you need to pack 3. Things you DO NOT need to pack 4. How to begin to create a minimalist wardrobe for traveling This helpful guide provides inspiration for decreasing what you pack for traveling and enjoying what you do take with you. Whether you are taking a business trip, vacation, or having to travel with family, Emma will give you some valuable insights and practical steps for making your next packing session a minimalist one. Customer Reviews

I was hoping that this book would give some actual lists or guidelines of what to take on trips.

Instead, it just talked about living life simply and not get hung up on possessions. A very worthless read.

Come on folks! Bring a microfiber cloth instead of a towel? I never bring a towel of any kind. I hoped for some sensible suggestions. The arguments for traveling light dominate but this is laughable. I could have done much better myself.

Everything in these few pages is mainly common sense if you have ever travelled at all. A list of exact items, how to fold or roll for best use of space, etc. would have been a great addition and made the book more worthwhile.

Nothing earth shattering. Good for beginning travelers.

The book took me 10 minutes to read. She did have a few good ideas, however nothing that I didn't already know.

How to travel light is always a challenge so when I spotted the Ebook I purchased. Obvious information and not much of it but about what I expected for the price.

I love the idea of traveling light and have been doing so without even knowing it for a long, long time. Great read for those that are tired of losing their luggage or those that don't want to wait in line to drop off or pick up luggage at baggage claim. It just makes me feel good when I can get everything I need for a 3 week trip in my two carry ons.

'Nuff said. Way too repetitive, and devoid of specific instruction. I was disappointed, and didn't learn anything new. Text just kept repeating the phrase "minimalist traveler", as if it were a magic incantation.
