Baseball's Most Wanted II: The Top 10 Book Of More Bad Hops, Screwball Players, And Other Oddities

Synopsis

Baseball has so many stars and scrubs, quotables and notables - so many that one book just isn't enough to cover them all. Enter *Baseball's Most Wanted* II. Starting where *Baseball's Most Wanted* left off, version 2.0 introduces even more colorful characters, inept fielders and hitters, and forgotten stars as well as all the teams, fans, managers, and even announcers who are a vibrant part of baseball's past, present, and future. You'll read top-ten lists of the best and worst hitters and pitchers, the most unique memorabilia, and the most obsessed fans. Learn which president vowed to never play the game again after he got shelled in a semipro game. Find out if Tony Suck lived up to his name or rose above it. Discover the secret lure of the no-hitter and how even usually inept pitchers can catch lightning in a bottle and reach Nirvana. You'll read about these as well as hundreds of other people, places, and events. With more than sixty lists of trivia to amuse and amaze, *Baseball's Most Wanted* II is a wonderful celebration of America's love of baseball, warts and all.

excellent.

I have read this book and the 1st one and both are AWESOME! The stories are great and funny. They bring out a side of baseball that you don't always see. I'm a HUGE baseball fan and I adore this book. It's a must for EVERY fan! There are facts that will amaze you and facts that will make you wonder about some of our all American game.

thanks

I love everything about baseball and there are some good stories in here. But I don't like the format of a bunch of one paragraph stories. For die-hard baseball fans only.
