Because He Redeems: Our Journey Through Divorce And Recovery

Synopsis

No one stands at the altar when they get married and anticipates that the one they are pledging their love and life too will leave them for another. But, as this author shares in her book, from her heart, this can effect anyone. Whether married to a pastor or an everyday laborer, one conscious decision can change the lives of many. There is no quick, and easy, and painless way to walk through divorce. But, with our Redeemer, we are able to experience forgiveness and wholeness.
