Shining Through (Red Hot Russians)

Synopsis

The Biggest Season of her Career – America's sweetheart Tabitha Turner is on track to win figure-skating gold in the Winter Games. Her family has sacrificed everything for her career, but the pressure is taking its toll. Burned out and living a lie, can Tabitha let off a little steam without melting the ice? The Last Chance of His – Russia's bad boy of skating Daniil Andreev is determined to prove the toughest thing about him is his competitive fight. When Tabitha tempts him to help her take a secret walk on the wild side, he gives her a taste of the freedom she craves, never expecting that one unforgettable night could turn into something more. Two Hearts on Thin Ice – Chicago, Vancouver, Paris – the international figure skating season unfolds. Tabitha and Daniil compete and fall in love, but as the pressure mounts in a make-or-break season, can they set aside their painful pasts and spiral into a shining future together – or will their dreams shatter like thin ice?
