great but out of date

good book

I got this book back in 2004, same year I took a vacation in Florida to go camping. Incredibly detailed, lots of great information on just about every campground in Florida. Things to watch out for etc. I went to 4 different campgrounds based on reviews I read in this book and they were all great. This was written awhile back. Looks like there's a 2007 version. Make sure you get that one or something after that if they've written it! Be careful camping in Florida. Your stuff will get WET and

you will get SANDY. It's not all that fun to be either. Also, all state campgrounds have electricity. BRING A FAN if you're going in the warm months.

Thorough

Very good book for us Florida camper.

Good source! 8:)

LOOKING FOWARD TO USING THIS BOOK ON OUR JOURNEY ACROSS THE SUNSHINE STATE .GREAT PUBLATION, WILL PAY FOR ITS SELF,OVER AND OVER.

Have browsed a number of books that say they cover this information, but none do it as well as this one. Everything you need is there. A wonderful resourse for anyone camping/RVing in Florida.Scotty
