I read the first 5 books about the McCabe's and the 2 books Johnny McCabe and Shoshone Valley were an excellent read giving the reader the history behind the McCabe's and how they settled in the valley. I'm really looking forward to reading book 8 Thunder. I hope Brad keeps writing about the McCabe's for many more years to come.

Brad Dennison is an amazing author. I love the McCabe series. I've read everyone of them numerous times. They're always full of history, adventure, and family. I would recommend this series to anyone looking to read a top quality western adventure series. These books are better than most western books and the author is right up there with the likes of some of my

favorites....Louis L'Amour, Zane Grey and Elmore Leonard.

THE McCABES ARE A GREAT FRONTIER FAMILY. YOU ALMOST FEEL YOU ARE THERE LIVING THEIR LIFE WITH THEM. CAN HARDLY WAIT FOR THE NEXT, "THUNDER", BOOK TO COME OUT. THANKS BRAD DENNISON FOR YOUR GREAT FAMILY STORIES. KEEP THEM COMING. I HOPE THIS WILL LET ALL WESTERN FANS KNOW WHAT A GREAT STORY TELLER YOU REALLY ARE. LAVONNE JONES

The McCabe story by Johnny continues, and what a story it is. Well written to keep you in suspense about what was going to happen next. Highly recommend; one you can't lay down.

BD has continued writing the western series about a family that settled in Montana. They became prosperous ranchers, but John's past constantly knocks at the door. The family has split into numerous families that have built on the ranch our nearby. This is an excellent read for the genre.....

This book has everything a great book should have. I'm going to have to read a little more about Dennison. I know this is a story. However, I don't believe anyone could write this book without the spiritual parts of the book being a part of them. The spiritual beliefs in the book reflect my life. Just a great book that everyone should read. I will read this book over and over, and urge my children to also read Shoshone Valley. Mr. Dennison, thank you for this book. P.S. I really enjoy books that take place in the snow.

This author is wonderful and the McCabe family is what everyone would want their family to be. Always to have each other's back and be joyous for everyone's good fortune. Great western books.

this is a great series. I don't usually read western type books, this was well written and kept me wondering what next. I loved all the characters but I loved dusty best.
