Paleo diet is a good start to get lose weight, make you more healthy and you will feel amazing. I purchased this book for some new recipes. I am really weak with measurements. This book helped me a lot. A lot of variety was given in this book. I have tried 7 recipes from this book. The entire recipes were tasty and delicious. I would like to continue this diet and I hope this would be the answer of my long term dilemma. Thanks Don.

Impressive! So this is like the anti-carbohydrate approach to losing weight. I'm game with that. Maybe not all the time but with so many recipes to pick from, I'm pretty happy! I also like how the cookbook is arranged. Has all them nutrition facts and a simple step-by-step procedure. Pretty obvious that I like it! Really worth reading!
