# You're Finally Here!

## Synopsis

Hooray! You're finally here! But where were you? A bunny bounces through a range of emotions in this funny picture book about how difficult it is to wait. At first he's ecstatic that you, the reader, has arrived. But then he can't help letting you know that waiting for you took too long, was way too boring, and even became insulting. The bunny is ready to forgive everything if you will promise to stay. But hold on--he has to take a phone call. Wait! Come back! Where are you going? Underneath this book's silly, in-your-face humor are feelings true to every child who has had to wait for someone's attention.

Why is this book, You're Finally Here, being sold for an absurd amount of money? I can't imagine

anyone in there right mind would spend \$114.00 for a children's picture book that retails \$20 and under.

Such a cute book for the first day of school. I am a speech language pathologist and I can't wait to use it with my kids

I love the story. The book needed some repair.

Great book for the beginning of the school year / First Day of School

I am a pre-k teacher and this book is a class favorite. The way you read it really gets the kids laughing! I was very happy with the story!

So glad to have found the book, but there was a tear on every page in the same spot. I taped them all and it's usable. Otherwise good condition.

Very cute book.....fun. Couple of surprises. Came in perfect condition. Bought for a gift for my niece. Would use this vendor again.

Cute book for the beginning of the school year!
