Questions Asked

Synopsis

A picture book with fundamental philosophical questions, posed in a way only Jostein Gaarder is capable of. The illustrator has made an independent visual narrative that underscores the existential aspect of Jostein Gaarder's philosophical questions. *Questions Asked* shows confidence in a child's capacity to think deeply and read between the lines. The book follows a little boy traveling alone in an open landscape. Soon we realize he is on a journey of thoughts and dreams, asking questions about loss, myth, language, magic, and what it means to be a human being. Jostein Gaarder's philosophical questions merge with the beautiful illustrations of Akin Düzakin into a tale of friendship, love, and grief - and about daring to think about life as you live it.

Customer Reviews

"This gem by the Norwegian novelist Gaarder, with sweet, spectral art by the Turkish-Norwegian illustrator Düzakin, is a simple list of big questions all of us would do well to ask about life and how best to live it. As the topics flit around delightfully, it avoids being either heavy-handed or precious. . . Any of these could spur a deep conversation with a curious kid or adult." — Maria Russo, New York Times Book Review
"Questions Asked taps the philosophical tendencies of 5-year-olds and up all the way up by venturing playfully into unanswerable territory." — Radhika Jones, The New York Times Book

novels by many Danish and Norwegian authors, among them Pet Petterson, Roy Jacobsen, Ida Jessen, and Jo Nesbo. He is the translator of Karl Ove Knausgaard's New York Times bestselling MY STRUGGLE series.

Insightful. Daring. Go thru it slowly & watch the story develop on the pages behind the questions. Deals with some of life's greatest questions. A great book for grandparents to buy for grandkids at the holidays -- or anytime. Kids ask these questions as they are ready to deal with the potential answers. Get it now so that you have it on hand when the time is right. Don't be afraid of life's HARD QUESTIONS. Thi book will help you.

Big fan here

Jostein Gaarder has questions. In Questions Asked, the Norwegian author asks many of those questions that bug all of us. Where does the world come from? Can anyone know what I think? How do my legs go where I want them to go while my mind is elsewhere? What is time? Why am I alive? What happens when I die? Jostein Gaarder does not have any answers. At least not in this book. What he does have is some beautiful illustrations by Akin DÃfÂ zakin, which follow a little boy's adventures and ponderings. Questions Asked can be a great conversation starter. I can imagine reading this with my own child, or in a therapy session, or, if a teacher is brave, in a classroom. Be prepared for some lengthy discussions. Thanks to Edelweiss and the publisher for the complimentary electronic review copy!
