Customer Reviews

Very compelling evidence presented. Easy read and informative.

Great read! I recommend all blacks to read this book! It is quick, easy and very informative! Great for all ages!

This book was very informative on many different aspects of fact and fiction and pertaining to the

bible. And gave good references to back up the claims.

I enjoyed this book very much, I would like to know the accuracy of this book, I have relay this for ever, but to read it was wonderful. Jesus said his children Parrish, for lack of knowledge. My soul was blessed. Thanks

Is there no paperback version of these books? GREAT BOOKS NEED PAPERBACK TO ADD TO COLLECTION

Excellent. Quite educational. I just attended a Bar Mitzvah and was able to share insights with other attendees. Thank you for this rigorous research.

Great book. It's great to read and learn of your true heritage. I thank God for this and will continue my quest of learning my heritage.

Information to free one's mind. Although short reading, still it's good reading. More details would be welcome for the reader
