Martin Johnson is professor in the Department of Political Science and directs the Media and Communication Research Lab at the University of California, Riverside. --This text refers to an alternate Paperback edition.

This is just a bad printing of screen grabs from the net. The photos are missing and two of the pages are missing text. I have since found out that this book can be downloaded in pdf form, for free with pictures, and better text, from the Open Library : [...] should not be selling these "books" There seem to be quite a few around and not always recognisable.
