Customer Reviews

Blair breaks it down for you, making it easy for the average "Normal" person to contact their spirit guides and "hear" what dead loved one's are trying to tell you. Easy Breezy - but LIFE CHANGING resources for the seeker in you.

The books are great, Blair has made it easy to dive into the realm of the afterlife and spirit guides. Truly enjoyed reading.

Everyone who has lost a loved one should read these books. I highly recommend these books!

Some interesting parts but this guy is an insensitive jerk in person.

I have these on my kindle and I love them. I can read them quickly, and go back and re-read any parts I need to clarify in my brain. Thank you Blair for coming into my life! You have picked up where Sylvia left off!

I bought the set and I am finding the information quite eye opening. I believe my guides directed me to Blair for inspiration. His daily live web casts on Face Book are great!
